Dear Friends,

As I write it is just over a week after Easter Day, which came very early this year, even so, Spring has sprung and the natural world seems to be heralding what Christ Jesus has done for us in dying on the cross and rising to new life. The old has gone, the new has come with the Resurrection coinciding with the Jewish Festival of First Fruits, the first of the harvest offerings, given in thanks to God and trusting there would be greater abundance to follow – this is not accidental. Jesus in his Resurrection is a sign for us that there is life new life and when we trust in what he has done to show us the way to new life – we become part of God’s new creation. So, the natural world mirrors that great work. Our plum tree has burst into blossom with the flowering cherry not far behind, everywhere I look there are primroses, daffodils, celandine, tulips – lots of golden yellow - the colour the church uses for celebration. Today I pruned my vine back to the new buds and the fig tree is already forming fruit, by the time you read this in May there will be birds feeding their young – new life, new creation!

I have become quite fascinated lately in a programme called ‘Homes Under the Hammer’ although I don’t watch it at the time it is scheduled, but later, often when I am cooking. I love to see how even some of the most dilapidated buildings can be brought to life and ready to be lived in again by someone who can see its potential and is prepared to take a chance on it - bidding at an auction and then devoting time and energy (not to mention money) in renovating a broken-down dwelling and making it whole again, giving it new life, new creation!

This had me reflecting on how we can be like those broken-down dwellings, the damp and peeling plaster, dry rot, leaking pipes, the dated fixtures and fittings etc, representing the things that have caused us to feel broken, rundown, perhaps rejected and unloved. Some properties are spruced up fairly quickly with fresh décor and an updated kitchen and bathroom, but others need much more radical attention. Depending on what is the cause of our brokenness we will need more or less attention to be ready to live again to the full. Who will take a chance on us? Jesus! Be the highest bidder and pay the price? Jesus! Devote their whole life to healing us and making us whole – new life, new creation? Jesus! This is the message of Easter, only the One who created us in the first place can see the potential that exists in each one of us. God paid the highest price for us by becoming one with us in human flesh, Jesus the Son of God, and opened the way for us to be restored to new life – new creation! What a blessing! If you are reading this and thinking you would like to know more or simply in need of someone to chat with do let us know!

With love and prayers

Making it a Welcome Break

The opening up of our churches at Easter has provided us with much joy. Resurrection hope has entered once again into our hearts and once again we can celebrate within our buildings and sing hymns just outside them. What is interesting about the resurrection accounts from the Gospels is that they take place both indoors and outdoors; in a garden and in a locked room, in a house and by the lakeside, on the road to Emmaus and up a mountain. Inside and outside is how the good news spread and the early church was born. Throughout this last year the church has also been inside and outside, making a difference in local communities through significant social action, and enabling worship via Zoom, YouTube, Facebook, and as small gatherings in church. It feels though that we have moved into a new phase, and during this month when we celebrate Ascension and Pentecost, we have an opportunity like no other before us.

Ever since Easter many people are booking up a staycation as the country opens up once again and according to the news Dorset and Wiltshire are going to be on many holiday makers' lists of places to visit. If we really believe in our risen and ascended Lord, and the power of the Holy Spirit we have the hope we all need in moving forward, not just for those of us who worship regularly but our neighbours, friends, and strangers also. Engaging with those who have attended worship online will be important going forward as will our hospitality and welcome to those who call in, pass by, and come to stay in our towns and villages. People are also going to be looking for space to reflect, to pray, to worship, to give thanks, for meaning. So, my challenge this month is that we fully prepare for the tourist season. Let us really go to town in demonstrating God's hospitality and welcome inside and outside our buildings, and in doing so share the hope that we have in Jesus Christ abundantly and openly.

Christian Aid week 10 - 16th May

CA works with some of the world's most vulnerable communities in 29 countries in Africa, Asia, the Middle East, Latin America and the Caribbean. When emergencies strike in these countries, CA is there before, during and after to save lives and support people in the long term. They work in other countries and regions through the ACT Alliance and other partners, particularly around humanitarian emergencies such as the refugee crisis. They also help to build the capacity of poor and marginalised people to be better equipped to fight the climate crisis and the accompanying challenges and disasters.

Due to coronavirus restrictions we have been unable to hold our fundraising Lent Lunches for Christian Aid so a special collection will be taken on **Sunday 16th May at Kingston**, but you can also donate by going to **christianaid.org.uk**

Parish Admin help

Now my children are grown up, I have returned to the Parochial Church Council (PCC). One of my roles is to help Rev Pauline with general admin and exploring some additional projects - please see below for the first one.

Calling Parish Parents!

We would like to reach out to parents of young children 0-18 in the Parish to assess the demographic and find out what you would like from your Church. Times have changed and people have moved on, especially post-Covid and groups and activities which were once very well supported have lapsed. What should come now and would you like to be involved? All ideas are very welcome and here are some for consideration: Messy Church (please see the website www.cleyhillchurches.org for full details), Holiday Clubs, Open Air/ Pet Services, Advent Activities and Crib Service. Please be in touch, especially if you are new to the Parish, have memories to share of what has been done in the past or have some time available to help out. The kettle is on/zoom at the ready and I'm looking forward to hearing from you.

Easter Reflections

We are so thankful for the spring weather over the Easter weekend. On Easter Sunday the congregation at the open air socially distanced service at St Mary's, Kingston, was blessed with glorious sunshine, blue skies and birdsong. Such wonderful conditions enabled families to meander around the villages to spot and enjoy wonderful displays of Easter eggs, bunting and multiple colourful decorations in homes and gardens. It is not just a rumour, I actually spotted an Easter bunny at work in Kingston. Thank you from the Upper Deverills village hall committee to all who donned their creative hats and made wonderful and humorous displays.

Val Spinks

**THANK
YOU**

What an amazing surprise! I would like to say a very big thank you to everyone who very generously donated through the website and the kindness shown by the local villagers enabling me to replace items which were stolen from my outbuildings at the beginning of March. It was totally unexpected and has shown me just how much community spirit there is in Longbridge Deverill.

Upper Deverills Village Hall

As we gradually return to normal, we hope that you will join us at the hall for our usual summer activities.

We will re-open in style with the **Pub Night & Rounders match on Friday 25th June** (see page 2). Food and drink will be served as usual, we plan for this to be an enjoyable and memorable evening meeting face to face again for the first time.

The **Duck Race on Saturday 17th July** starting at Pope's bridge and finishing with a barbeque in the field opposite the old school.

There is another **Pub Night & barbeque on Friday 30th July** which we hope everyone will come along to and enjoy.

The main event of the summer is the annual **Fete & Flower Show on Saturday 21st August**. This will follow our traditional format, so if you want to win some trophies then start planting your vegetables, painting your pictures and brewing your parsnip wine! In addition, we will extend the photographic element of the competitions. Last year's virtual show was a tremendous success, over 100 entries, so we will use some of those ideas to add another dimension to the show.

Longbridge Parish Hall

The Village Hall is once more open for bookings subject to covid control. The Hall Committee members have been discussing what events to offer for the coming year and we have got a couple of ideas up our sleeves, however we would love to hear from you the villagers if you have any good ideas for events you might like to see, classes you may like to attend/offer and societies who may wish to use the Hall. Please think and make your thoughts known to any of the committee members - Julie Read, Debbie Graham, Anna Mead, Juliet Brathwaite, Sarah Wardall, Ian and Dymrna Bell. We would really like to hear from you. There are two definite events planned for October with more details to follow: **Hungrytown - Friday 15th October**, a folk duo all the way from Vermont USA and the **Harvest Supper - Saturday 23rd October**.

The Hall is coming out of lockdown with a fresh lick of paint and hopefully new curtains, and we are procuring staging units. Please contact Ian Bell on 840514 for any booking requests.

Community Coffee morning

Twenty one people came together outside, at the George in Longbridge, on Wednesday 21st April to enjoy the sunshine and good company of friends and neighbours. A welcome chance to see each other with the relaxing of Covid restrictions. Please join us on **Wednesday 19th May**, see page 2 for details, we look forward to seeing you.

Farewell to the Deverills Valley & Crockerton WI

All members met in March 2020 for our AGM at which, following previous discussions ladies unanimously voted, with much regret in view of a decline in members and advancing years for most present, to cease our group membership at Christmas 2020. We are proud Deverill Valley and Crockerton WI has enjoyed 100 years of wonderful friendship, contributed greatly to our local community, supporting each other over the years, embracing family issues as they occurred and had fun together. It was agreed the best point to disband was on our 100th anniversary.

Plans were made to hold a celebration supper followed by the unveiling of a beautiful banner, made especially for us by Pat Wood, in our meeting hall marking our 100 years in the village. Sadly Covid 19 intervened, we could not go ahead. When a small chink appeared between lockdowns, we did manage to have a small celebration tea party with a birthday cake for members only. If Covid conditions allow we plan to have a small farewell lunch in August this year and place the banner in the hall on that occasion.

I offer my sincere thanks to our treasurer Janet Budgen who has tirelessly toiled over our accounts for many years and to our secretary Julie Wallder, we are indebted to them for their dedication, hard work and commitment to our WI. Thank you both for all you have done to ensure the smooth running of our group.

I know many of our loyal ladies will miss our meetings, however our long friendships will live on. Thank you to all who gave so much in the 100 years of WI values in our villages.

The Longbridge Deverill Social History Group

The Social History Group was formed 15 years ago. Its aim was to research and publish a book of parish memories. Grants from the AONB and Awards 4All covered production costs

enabling every household in the Parish to be given a book. Surplus copies were sold and the proceeds paid into a Nationwide Treasurers Trust interest bearing account. Over £1,000.00 was given locally to the Longbridge Parish Hall etc. over the years. Earlier this spring the remaining Group members agreed to disband and close the account. The balance of £640.00 has provided a small gift for Longbridge Parish Hall and over £500.00 to Wilts Air Ambulance. Any householder who still has their copy may like to loan it to a new residents.

Behind the Hedge - secrets of Corsley House revealed

Corsley House, near Longleat, started life as a picturesque farmhouse in the early 18th century, resembling a fairy tale castle with leaded windows and stone turrets. In 1812 the prosperous Barton family hired renowned Bath Architect John Pinch the elder to add a substantial Greek revival addition lending the house a unique character with one entrance feeling much older than the other. Most of the outbuildings have been unaltered, including an apple store with its original interior and a listed grain store built on saddle stones. The gem of the garden is the Walled Garden with its spectacular view of Cley Hill. The garden, returned to its former glory, would have kept the family and staff substantially self-sufficient all year long. The wave lawn is a new addition which undulates along the Georgian side of the house. For the first time in decades Corsley House is opening its gardens to the public from **11.00 am - 4.00 pm on Sunday 18th July**. There will be Guided tours of the gardens, Woodfired Pizzas, a Pimm's Bar, Tea and Coffee, Children's entertainment, a Messy church tent and much more.

Timed tickets £5 contact 01373 832 074 / email chogtickets2021@gmail.com

All proceeds to Corsley & Chapmanslade churches.

Longbridge Deverill Parish Council

Local elections are being held on 6th May; the nominations have been published with 6 of the 8 seats on the Parish Council receiving nominations. This means the election is uncontested and the persons nominated will automatically become Councillors. This leaves the Parish Council with a deficit of two Councillors, if you want to support your community by continuing the ongoing work of the last 4 years or wish to find out more, please contact the Parish Clerk Nikki Spreadbury-Clews, details on page 14. The next meeting will be the **Annual meeting of the Parish Council on Monday 10th May at 7.00 pm**, it is hoped to hold the meeting in the village hall but numbers will be limited due to Covid measures. For full minutes and agenda please visit the Parish Council website or contact the clerk see page 14.

Parish Council Elections

Wiltshire Council's Returning Officer received an insufficient number of nomination papers from prospective Candidates for an election to take place on Thursday 6th May. Two candidates were put forward and they are both duly elected unopposed, they are Richard Munro and Louise Stratton. Therefore, there is another chance for parishioners to put themselves forward to be elected onto the Council and again, we encourage people to come forward and represent the Upper Deverills, from Brixton Deverill, Monkton and Kingston Deverill. This second election will take place within 35 days of the original date of 6th May, we will advertise the date in due course as well as the date of the next Parish Council meeting via the noticeboards and website.

For more information please visit Parish Council website upperdeverills.co.uk

Crockerton CE Primary School - vacancy

We are looking to appoint an MDSA, pay Scale 1, for 7 hours per week term time only; the closing date for applications is 21st May 12.00 noon. The role requires the collection of the school lunches from Wylve Valley school each day and delivery to Crockerton School, then supervision of the children during lunch. The ideal candidate must have use of a vehicle to transport the lunch boxes (usually 3 large insulated containers). We offer a supportive and friendly team with a caring ethos and enthusiastic children. The school is committed to safeguarding children's welfare and expects all staff and volunteers to share this commitment. Please contact the school office to arrange a visit or to request an application form. Applicants will be subject to a full DBS check before appointment is confirmed. Nature Notes

We desperately need rain; it is lovely to have dry weather to get outside but the ground is very dry and cracking up like it does in summer. Nothing thrives without water, even the hardy perennials like pulmonaria are wilting. We have also had overnight frosts, some of them quite hard, the blossom on the cherry trees and magnolia have been scorched, such a shame when they were looking lovely. The temperature has been lower than normal for this time of the year, I am sure that is why the daffodils have lasted longer. The hard ground has made it difficult for birds that dig for worms and grubs; blackbirds, thrushes and starlings. We have got several pairs of blackbirds collecting food; I have been putting out soaked dried mealworms and they disappear rapidly. I know the whereabouts of one blackbird nest; in the shrubbery behind the feeders. Yesterday the nesting pair had double trouble with predators; in the morning there was a persistent magpie bothering them and then just at dusk a neighbour's cat was upsetting them, I am hoping the nest is still thriving.

The bird feeders are busier now, we have siskins coming to feed, I always think of them as small greenfinches. I saw a male great spotted woodpecker this morning feeding on sunflower hearts, they seem to prefer them to fat or peanuts, everything likes the sunflower hearts and they are the most expensive!

We don't have moorhens coming to the pond now but we do have mallards. There were two ducks and a drake this morning, I am sure they were not the usual ones as they were wary of me, my regulars come to me for food. We have a little egret and a heron visiting to fish, both get chased away when seen, but I am sure they sneak in when we are not on guard. I have not seen any fish for a time so I think they have depleted the stock. I am just beginning to see tadpoles, at the moment they look like black debris in the water with the occasional one presenting as a proper tadpole with head and flicking tail; I have only seen black ones, toad tadpoles, frog ones are brown in colour. A pair of grey wagtails have been feeding on the pond surface, walking over the curly waterweed which is still causing concern, and a pair of pied wagtails have been feeding on the lawn.

In the warm weather queen wasps have emerged from hibernation in the house and garage, and it has been good to see butterflies on the wing on sunny days, brimstone, peacock, small tortoiseshell; I am looking out for orange tip now.

There are a number of house sparrows building nests, one in the swift box again and another in the roof space near the back door of the garage. I have seen feathers being collected and long bits of grass, I am sure there are nests in the honey suckle on the side of the house too. I saw my first swallow yesterday and I am hoping that 'ours' will be back in the stables soon.
