## Dear Friends

### New Beginnings and Fruitfulness

September is a bumper month of birthdays for my family, including my own. As a child I used to feel a bit envious of my friends who had birthdays during the school term while mine being very early in the month was in holiday time. At least I was never 'bumped' in the playground! Following my birthday would be the return to school and a new academic year. I wonder how many 'new years' we can have in a year? In Western society we think of 'new year' as the progression from 31st December to 1st January while other cultures and calendars, particularly Eastern ones, have theirs at other times. September is the beginning of the ecclesiastical year in the Eastern Orthodox Church while ours begins with Advent, four Sundays before Christmas Day. In the Jewish Faith new year begins in the month of Tishri, (the 7th month) covering part of September and October, with a festival called New Year Trumpets or Rosh Hashanah, which translates as 1st or 'head of the year' marking the start of the Jewish High Holy Days leading up to Yom Kippur (Day of Atonement). It's all about making fresh starts.

September was originally the 7th month, from the Latin *septem*, 'seven', March was the 1st month of the year until about 451 BC when January and February were added to the Julian Calendar, September became the 9th month, but retained its name. Many things begin again in September in tandem with the new school year, when pupils and students take another step on the ladder of education. Perhaps this September, more than any other, all of us are feeling ready to embark on a new beginning. Learning to live freely again as restrictions are lifted, maybe not as easy as we might have first imagined. I wonder what you will be leaving behind, never to return to; and what you will be looking forward to taking up again? What does a fresh start mean for you?

Covid-19 has not gone away but we can live responsibly and get going again. Looking around our garden it is obvious while we might have been restricted in our comings and goings, the fruit trees and bees have carried on as usual and there is much fruit to be picked over the coming weeks. We look to a time of harvest and giving thanks for the abundant generosity of God's love in creation, for the increase of community spirit during lockdown and we pray it will not be lost as we begin again. To the community of the church in Galatia the apostle Paul wrote: *the fruits of the Spirit are love, joy, peace, patience, kindness, generosity, faithfulness, gentleness and self-control*. We have learned people matter more than possessions; when Jesus the Son of God lived among us, He exemplified a loving and generous way of living; it is a way of life that bears fruit, fruit that will last and fruit that is to be shared.

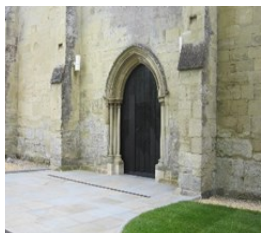

With love and prayers for the Holy Spirit's fruit to remain among us, always.

## Come and join the Friends of Salisbury Cathedral!

The Friends of Salisbury Cathedral is a charity which has been giving grants to Salisbury Cathedral since 1930. Recent projects have included new level access to the cathedral and installation of live streaming equipment enabling services to be broadcast live to the cathedral's

YouTube channel during the national lockdowns of 2020 and 2021 when the cathedral was closed. These grants have been made possible thanks to members' subscriptions, donations and legacies.

Annual subscriptions are £25 for a single membership and £40 for joint membership. Members receive a Friends' membership card, entitling them to visit the cathedral free of charge (excluding ticketed events or concerts). They receive newsletters and an annual report and invitations to events: musical evenings, talks, theatre performances, holidays and annual Friends' Day. This year **Friends' Day** is on **Saturday 25th September** in the cathedral. The AGM is followed by a lecture by journalist and author **Christopher Somerville**, speaking about his book ****Ships of Heaven – The Private Life of Britain's Cathedrals****. Following the lecture, members can enjoy afternoon tea in the cloisters, a short organ recital and evensong. For further details contact the Friends' office on 01722 555190 or email [friends@salcath.co.uk](mailto:friends@salcath.co.uk).

## Secret Gardens of the Close and Green Fair

This will take place on **Sunday 12th September** from 1.00 pm to 5.00 pm. The event, which enables the public to visit gardens in Salisbury Cathedral Close normally hidden from view, will include a Green Fair comprising a dozen stalls with an eco-friendly theme. As well as touring some of the larger gardens in the Close and De Vaux Place, visitors can enjoy tea and cake on the lawn of South Canonry, the home of the Bishop of Salisbury. The Green Fair stalls include Harnham Water Meadows Trust, Plantlife and Wiltshire Wildlife Trust, representatives will explain what they do and how the

public can get involved. Salisbury Florilegium Society will be hosting an exhibition of members' botanical paintings in the Medieval Hall and musical entertainment will be provided by recorder group Close Consort, whose members will be playing in a number of the gardens. Tickets are £10 (under-16s free) are available at the event, for more details contact the Friends' office on 01722 555190.

## Thank you - Brixton church

While walking the Wylde Way recently, I called into Brixton Church. I had not been there before. I was delighted to find, unexpectedly, there were drinks for walkers to help themselves to. It was a humid day, I was almost out of water, and I was thirsty. Thank you so much to the person who took the initiative to provide the drinks. My prayer is that people who come into contact with your church community will have their thirst quenched in whatever way they need.

## Farrant Singers Concert - 8.00 pm Thursday 16th September

This Salisbury-based chamber choir, founded in 1958, is paying a 1st visit to St Mary's Kingston Deverill for a concert. The choir has previously sung twice in the valley at Longbridge; we are now looking forward to coming to the Upper Deverills. Please contact Eve McBride (07824 345711) or Julian Wiltshire (844152) if you would like to attend the concert. There will be no tickets, we will collect £10 at the door, having noted your names. Entry will also be available at the door for others too. Proceeds go to the local churches.

## Longbridge Deverill Parish Council

The Parish Council have reviewed several planning applications over the last couple of months; are assisting the Parish Hall with the cost of Wi-Fi; continue to review vehicle speeds via the SID data, participate in Community Speed Watch, however more **volunteers are required** to support this initiative; contacted landowners to maintain their boundaries in order to keep footpaths, rights of ways and lanes accessible to all users. The Autumn litter picks are arranged for **Sunday 24th October** at 11:00 am, meet at The Bath Arms and The George, we look forward to seeing you.

### Your Parish Council needs you!

Are you new to the Parish or been here for some years? Would you like to support your community with items like the Parish Plan, highway issues and various other local projects/groups? The Parish Council, which covers Crockerton, Hill and Longbridge Deverill, meets every other month on the first Monday, we are looking for residents with various skills and experience to represent the community on issues relating to the villages. No previous experience required. If you would like to find out more, please contact the Clerk details on page 14.

The next Council meeting is on **Monday 6th September** at 7.30 pm, at the Parish Hall. For full minutes and agenda please visit the Parish Council website or contact the clerk details on page 14.

## Upper Deverills Parish Council

Over the next two months representatives of the Parish Council will be meeting with neighbouring Councils to identify and discuss matters of mutual interest – traffic, rights of way, environment, etc. If you have thoughts on any topics that could usefully be addressed in such a forum, please contact the Chair, Richard Munro.

Rights of Way. We are so fortunate to live in an area of outstanding natural beauty across which there are many rights of way. However, it is important to remember that we all have obligations for their care. A brief guide on the law and responsibilities of users, landowners and Wiltshire Council is on the website: **[upperdeverills.co.uk/rights-of-way](http://upperdeverills.co.uk/rights-of-way)**. It is updated regularly as appropriate.

The next Parish Council meetings: **Wednesday 1st September, Wednesday 10th November** at 7.00 pm and take place in the village hall. Please see page 14 or visit the Parish Council website **[upperdeverills.co.uk](http://upperdeverills.co.uk)** for more information.

## Deverillians

We have just been given notice to leave our beautiful home of 20 years in Brixton Deverill and we are wondering if anyone knows of somewhere to rent in the area. Please call or email us if anything springs to mind. Tel: 840085 or email: [angie@redangel.net](mailto:angie@redangel.net). Thank you.

## Upper Deverills Fete, Flower & Dog Show

On Saturday 21st August, as we approached the start of the Show the weather forecast predicted heavy rain all day. To our relief, the forecasters proved to be wrong and at 2.00 pm the sun shone, lots of people turned up and we all had a marvellous Deverills afternoon. The Hall was packed with delicious home produce, beautiful flower arrangements and many skilfully presented arts and crafts, while outside the many attractions included a terrific Dog Show and games ranging from the egg chuck and welly wanging to chess. Very many thanks to everybody who took part! It proved to be a truly splendid day.

### Hello and Goodbye

"We're Back!" was the happy and collective exclamation of villagers following the hugely successful 'Pub night' re-opening on 30th July. The pandemic had kept social events at bay for 19 months, so with a mixture of relief, caution and joy villagers could at last congregate and socialize with friends and importantly meet new villagers. The British summer weather tried to disrupt proceedings, but the local community ignored the wind and threatening rain to make the evening a roaring success. Massive thanks to Eve McBride for organising the annual, mixed, all ages rounders match; a spectacle to behold and enjoyed by all. Relative newcomers to Kingston, Harry and Rosie Miller threw themselves into village life volunteering to oversee a hog-roast; sadly curtailed by the weather, undeterred village ovens came to the rescue producing delicious pork, apple sauce and stuffing enjoyed by everyone.

The evening also saw us bid a formal farewell and 'thank you' to stalwart, Judith Hirons who, with former Monkton resident Elizabeth Coombes, created the village 'Pub Night' almost 10 years ago. Judith and her husband Colin are moving to pastures new. Ted Flint, UDVH Committee chair, presented Judith with a painting of the village hall grounds and expressed our gratitude for all her endeavours and hard work on the village hall committee. Judith was delighted her innovation would continue. It is clear 'Pub nights' are now an integral part of the Upper Deverills' Community calendar. We wish Judith and Colin good luck for the future.

## Warminster Lions - Melvin Jones Award

Melvin Jones founded the Lions Organisation in 1919, so we have just celebrated our centenary. This is the highest award that can be presented to an individual Lion member for notable achievements within the club. Both Bob Dyer and I were very proud to be presented with these awards recently but it was a real surprise to us as I did not believe I had done anything worthy of recognition. I joined the club in 1991 with Bob and others. Membership has enabled Pat and I to partake in many social events we will remember forever. We have met so many other Lion members, particularly at Conventions, and made many firm friends from near and far. Both Bob and I have been presidents of our club and in my year, 1996/7, I presented our twinning Lions Club, Albert (in France), a photo of soldiers of the Wiltshire Regiment, who were stationed at Albert during the Battle of the Somme. We will always remember this visit and others giving us many happy memories. We have so many stories and I will always be grateful to the Lions Organisation for allowing me to do 'Amazing Things'. ## **Rt Hon Dr Andrew Morrison MP - 'Rural Rides'**

During the last week of July, I set off on a tour of 32 of South West Wiltshire's smaller parishes and villages on what I call my 'Rural Rides' (with apologies to William Cobbett, the nineteenth century pamphleteer). From Tollard Royal in the south to Bulkington in the north, I set up in village halls - I have so many of these great buildings in my constituency I thought I would write a book about them when I have time dedicated perhaps to Cobbett – but also pubs and churches.

On Wednesday 28th, I visited Monkton Deverill, Longbridge Deverill and Crockerton. I am very grateful to the Bells, John Lea and Ted flint who organised and hosted my visit to Longbridge Deverill and the Upper Deverills and to the respective village halls. In Crockerton I set up my stall in the Lakeside Garden Centre café, thank you to Steve Cripps and his staff for arranging that. It was good to see people enjoying the lakeside setting in the sun.

Of course, I am regularly in touch with residents in Crockerton and the Deverills to discuss a wide variety of issues. But, with Covid having halted so much face-to-face interaction over the last 18 months, I felt it was important to get out and about, re-establish a presence, and meet people who might otherwise find it difficult to come and see me.

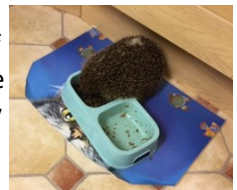

Across the constituency, the biggest issue was roads - with heavy traffic topping the bill. Everyone knows I cannot magic it away, but I can make the issue more prominent with those who may be able to help. That is how MPs work, and even sometimes change things, using whatever tools we have – meetings in high places, phone calls, tub-thumping, letters and, whisper it, the media. This trend was true in the Deverills, where traffic has eroded road verges over the years and where overgrown hedgerows and plants conceal road signs or markings. This low-cost unkept look seems to be favoured by the council under the guise of rewilding but it should be balanced with road safety not merely neglected. Residents here and elsewhere have suggested that adding wildflowers to more unsightly traffic islands or roundabouts would be consistent with the Council's re-wilding theme. I agree that there is nothing more lovely than a show of native wildflowers, but all too soon it goes over and becomes a mess.

Thank you again to those who turned out. Hopefully the success of the vaccine roll out means another fixture will be possible soon.

## **Hedgehog visitor**

On a hot summer evening our uninvited guest came in through the conservatory into the kitchen for a free supper of the cat's meat and biscuits watched over by an evil eye on the mat. Then, "many thanks, I'm leaving". He now returns every evening at dusk, but he is fed outside, we love to watch him.

***Pat & Les Wood***

## Nature Notes

The garden is now quiet, there are hardly any birds around and the only bird singing is the robin occasionally. Robins hold territory all year round so need to stake their claim by singing throughout the seasons. All the birds are keeping a low profile, staying under cover as they are moulting and are not able to fly as well so are more vulnerable to predation. Several of my regular blackbirds look really moth eaten! After many months of breeding with a lot of work and stress to feed their young, the feathers need to be changed ready for winter. I do hear and see a few birds. Yesterday evening when I was out near the feeders a mixed party of tits came in to dine. It was the continual calling of the long-tailed tits amongst the group that made me aware of them. There must have been at least eight of the long tailed with slightly less great and blue tits. Birds often make up mixed feeding groups at this time of the year; helps in the finding of food and there is safety in numbers. The other bird I am hearing and seeing on the feeders is the bullfinch, usually the male but sometimes with a female and occasionally several males together. They too look rather moth-eaten, their usual stunning contrasting plumage is not nearly as bright.

It appears to be a very good year for butterflies. We have a buddleia bush at the top of the garden and it has been covered in them on bright sunny days, more than I have seen for quite a few years. Peacocks seem to dominate, but there are also good numbers of red admirals and small tortoiseshells. One day I saw a fritillary, probably silver-washed, also a comma and a brimstone along with several meadow browns and whites. We are often having to release a butterfly from the garage or conservatory which indicates good numbers. I wonder if with the lockdown and a lot less traffic, there were fewer butterflies (along with other insects) killed on the roads and perhaps this is being reflected in the increase in numbers this year.

We are not sure what is going on with the swallows in the stables. We thought they were sitting again but there doesn't appear to be any activity in the nest now. I have a feeling it may have been predated, if so, a magpie is top of the list as I saw one behaving suspiciously on the stable roof near the nest. I check the stables each day hoping the swallows might try again as they have only had one brood. The house martins at the front of the house also seem to be rather quiet. I know another nest fledged but it is tricky to follow what is going on as the nests are so close and they fly around so fast. They too should have time for more broods as we have still got the rest of August and all of September. It will depend very much on the weather. The blackbirds and robins have only just finished feeding young, which is quite late in the year. We still have one pair of sparrows with young in the nest in the swift box at the back of the house. Sadly, I found one chick dead on the ground about a week ago, the rest seem to be doing well, judging by the noise!
