**Dear All,**

My husband and I are sitting in a café in Frome on one of the hottest days the UK has ever experienced and tomorrow it is going to be even hotter. The world is in a mess and the weather with it, and it's all down to human beings' extraordinary gift of living as if they owned the place (the earth, the cosmos, etc), with total disregard for the damage they are inflicting on themselves, other species and the delicate eco system we inhabit; you could be forgiven for feeling rather downcast at this scenario.

Added to the above, I arrived home after taking a service with my back screaming in protest at the necessity of standing up for a while. Several painkillers and a hot water bottle later it was not quite as bad. As I ate my lunch feeling rather sorry for myself, I thought about the usual things I do to try to cheer myself up. If I tell you that cleaning the fridge out cheers me up, properly with the shelves taken out and washed, salad drawer likewise, you will probably think I am mad. Cleaning out the larder is even more pleasing, but that is perhaps too big a job for such a hot day.

But when things are bad, and despair sets in, I seek solace elsewhere. Some of you will not have been in St Mary's Kingston Deverill. It is a beautiful little church, much altered by the Victorians but in a very restrained way. In the chancel on a plinth wall, is a carved 14th century statue of the Madonna and child. Once she was brightly painted, now there is the merest hint of colour here and there. She is weathered and worn and one hand is missing, a mere stump. But it is her brokenness that speaks to me so powerfully of beauty and pain; she holds the Christ child almost as if she is offering him to us, she seems to be gazing into the future and saying, 'here is suffering and pain, this is what it means to be human, this is the reality we live with.'

I cannot quite explain why I find this statue so calming, I think it is because gazing at this battered Madonna I feel but a tiny, tiny part of something much bigger and deeper than myself. I feel drawn into another perspective in which myself, this world, this suffering, this despair is held by something I cannot understand nor articulate. T.S Elliot wrote: 'Here or there does not matter/We must be still and still moving/Into another intensity/ For a further union, a deeper communion'. Do go and visit this beautiful Madonna and child, I hope she speaks to you and brings you peace.

With love and prayers, **Pauline**

## **Lammas service - St Mary's, Kinston Deverill** **10.30 am Sunday 14th August**

At this service we will be doing something a bit different. Lammas comes from Old English meaning 'loaf mass'. In early Christianity, the first grain offerings and loaves of the year were blessed in church. Celebrations included beer recognising the importance of barley. We will be giving thanks for the first harvesting of grain and offering loaves for blessing; then eating them after the service with lots of butter and jam! Please come to this short service to celebrate Lammastide; if you can bake a loaf of bread to bring that would be lovely but not essential, just bring yourself.

## Wiltshire Buildings Record

This is an educational charity providing information about the county's historic buildings, it is seeking new members to help support vital research into Wiltshire's heritage. Based at Chippenham's History Centre, it is your first point-of-call to find out about the history of any local building, even your own home.

It gives talks to local groups. Help support this service and maybe learn something new. Organisations, e.g. history groups, pay £25 per year membership; individuals £14. See [www.wiltshirebuildingsrecord.org.uk/membership](http://www.wiltshirebuildingsrecord.org.uk/membership) or Tel. 01249 705508. **Help us identify and study historic buildings in Wiltshire.**

**Celebration of John Budgen's life and work**  
**4.30 pm Sunday 11th September**  
**St. Mary's, Kingston Deverill**

Andrew Scott of Harrison & Harrison, the Organ Builders, recorded the Celebration which was held in the City Church of St. Margaret Lothbury on Thursday 21st April 2022. It was greatly enjoyed by John's friends and family, organists and organ builders who came together to honour John. With Andrew's permission we shall present his film at St. Mary's. John led the team which re-created the much-altered 1801 organ at St Margaret's, restoring it to its former glory, it was one of John's greatest achievements. The film runs for under an hour, afterwards there will be cakes and bubbles and time to reminisce.

## Congratulations to Ruth Sutton

Ruth Sutton has supported the beautiful little church of Brixton Deverill for many, many years so it was highly appropriate for the congregation sing happy birthday to her on Sunday 17th July to celebrate her 90th birthday. Ruth blew out the candles on the delicious chocolate cake which everyone then enjoyed.

## Marie Curie

Bridget Beattie would like to thank those who attended (and some who didn't) for their generous donations to Marie Curie at a recent fundraising tea party. We raised a total of **£300** which is really excellent.

## Duck Race

The Upper Deverills annual Duck Race took place on the river in Kingston Deverill starting at Pope's bridge and ending at the Bell House bridge on Saturday 16th July on a very hot afternoon!

Junior prize: Edward Watling  
Adult prize: Robert Shuler.

## Calling All Young artists!

If you are 25 or under, from south west Wiltshire and a maker of anything visual: paintings, sculpture, textiles, furniture, jewellery, bookbinding, prints, glass, ceramics, leather, etc. you could receive sponsorship to hold an exhibition as part of the 2023 Wylde Valley Art Trail. The Arts Society Wylde Valley (ASVV) is very generously offering sponsorship of a selected young artist to the tune of £500, to help pay for materials, venue costs, presentation and other expenses relating to staging an exhibition; meanwhile, the Wylde Valley Art Trail is waiving the entrance fee for the selected candidate.

The Art Trail is widely recognised as one of the great cultural events in Wiltshire's artistic calendar, it has just won the Queen's Award for Voluntary Service, so the winning candidate will get fantastic exposure as well as support and encouragement during the early stages of their creative career.

Applications for the Wylde Valley Young Artist Award open online at **[www.wvat.co.uk](http://www.wvat.co.uk)** in August, closing at the end of September, the winner will be announced by mid October. So start applying! For further information: [www.theartsocietywyldevalley.org.uk](http://www.theartsocietywyldevalley.org.uk), 07730 400784 [info@wvat.co.uk](mailto:info@wvat.co.uk).

### The Deverills, Crockerton & Horningsham 50/50 Club

#### JUNE WINNERS

**£50 Alice Stratton and £25 Harry Stone**

***Why not Join the Club!***

The valley's 50/50 club raises funds to help run and preserve our four beautiful valley churches for the benefit of everyone fortunate enough to live here and who appreciates the unique community spirit of village life. It does not raise money for the wider church but for the indirect benefit of people who live in the valley. Each club member pays £24 per year and the proceeds are divided 50/50 with half going to support the churches and half given as prizes, currently £50 and £25 every month, with extra prizes at Christmas. Winners' names are published monthly in the Parish News. Last year over £1000 was raised for the churches, a similar amount given as prizes. Joining details are in the churches or contact **Diana Abbott on 840763 / [decabbott@gmail.com](mailto:decabbott@gmail.com)**.

## Longbridge Deverill Parish Council

### Longbridge Deverill Flower Show - Saturday 13th August

The Parish Council will host a stall at this year's flower show and the members would be delighted to meet residents of the Parish, please come and have a chat, find out what's been happening and discuss any of your concerns.

### Dog fouling, continuous noisy barking dogs and bonfires

The Parish Council have received complaints of increasing dog faeces being left, dogs continuously barking and bonfire nuisance. Please be a good neighbour pick up after your dogs, minimise their barking and refrain from lighting bonfires. It is an offence for a dog owner not to immediately clear up after their dog has fouled. Dog faeces left on the ground by irresponsible dog owners is unsightly and anti-social and also a potential health risk to young children. Faeces should be bagged and taken home or placed in a litter bin. Dogs bark naturally but the constant barking or whining of a dog can be disturbing and annoying for neighbours. Often this problem occurs when you are out of the house and you may not realise someone is being affected.

[www.wiltshire.gov.uk/env-health-dogs](http://www.wiltshire.gov.uk/env-health-dogs)

Lighting a bonfire may be hazardous and can cause distress to other people: it may exacerbate ill health in those who suffer from Asthma, COPD and COVID; affect visibility for drivers on nearby roads; plus fire can spread to nearby fences or buildings. [www.wiltshire.gov.uk/env-health-smoke-nuisance](http://www.wiltshire.gov.uk/env-health-smoke-nuisance)

### Two Crockerton boys carry out litter picking

The Parish Council wish to thank Oscar and Harvey Payne, they have spent an hour a week, for twelve weeks litter picking around Crockerton for their Duke of Edinburgh Award. Well done boys, thank you for supporting the community and environment.

The next meeting of the Council is on **Monday 5th September** at 7.00 pm, **please note new time**, at the parish hall. For full minutes and agenda please visit the Parish Council website or contact the clerk [details on page 14](#).

## Upper Deverills Parish Council

### Wessex Water Work

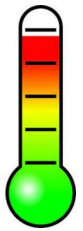

Wessex Water (WW) is planning to carry out water main replacement works on the B3095 and various other roads in Kingston and Monkton Deverills. The work is planned to start on **Monday 5th September 2022**, it may last for 29 weeks. Due to the narrowness of the B3095 it is likely to be closed to through traffic. The section of the B3095 where the main will be replaced is from Kingston Deverill Church to 91 Monkton Deverill (BA12 7EU), a road closure will be required separately for each road. WW will hold an open day on **Tuesday 9th August** from 10.00 am to 8.00 pm in the Upper Deverills Hall to give more details and answer questions about the work and implications for residents. This is an opportunity to raise concerns about access or continuity of supply during the work.

Cllr Belinda Stewart-Cox was Co opted onto the Council at our July meeting; there are now no vacancies. The next Parish Council meeting will be on **Wednesday 7th September** at 7.00 pm in the village hall, see page 14 and website.

## Nature Notes

Global warming seems to have really started with record temperatures predicted in the next few days. I suppose it was inevitable as Europe has been getting hotter in recent years. I am not a fan of heat; I hate watching the countryside burn up and lose its greenness. The ground is now like concrete, so any creature trying to dig for food has no chance. Plants are withering away; I water in the cooler part of the day when it's almost dark to try and help them. There was a saying that our summers consisted of two hot days and a thunderstorm, that seems to have gone awry. It is forecast for some rain next week, but not much, and then back to wall-to-wall sunshine which may stay until the end of the month. Nothing grows without rain. Grass will be short and farmers will have difficulty feeding their livestock and keeping them watered. I hope it does not last as long as it did in 1976, but the temperatures weren't as high then.

The moorhens have not had a second brood. One morning three weeks after we first spotted the chicks, there was a change and then we only had two youngsters on the pond. An adult, I think the female, returned in the afternoon and stayed overnight with the young on the nest. Then it was just the two youngsters until the 30th June when both adults appeared and I saw nesting material being collected. For a couple of days there were three youngsters, then only one remained. On the 9th July Clive found a dead adult moorhen at the top of the garden. We have the one youngster which is developing well and seems to be quite content on its own.

The swallows have done well and when I looked this morning there were three well grown youngsters sitting on the edge of the nest on the verge of flying; the second brood. I had counted five beaks earlier in their development but only these three appear to have survived; it does not surprise me as they were having trouble keeping cool in the extreme heat. Food should not have been a problem as it is all collected in the air and insects are plentiful. The house martins have flown but I don't know how many they produced as any nest activity is hidden from view. I am not sure if they are sitting again.

We have had great spotted woodpeckers coming to the feeders and have seen a youngster; easily identified by its red cap. Green woodpeckers have also been in the garden working around the ant nests which we have plenty of in the lawn. There was a young green one close to the house giving good views with the scope.

Judging by the number of young birds I have seen it would appear to have been a successful breeding season. Goldfinches have done well; young are easily spotted lacking the red on the head. The male blackbird still comes for sultanas, collecting for his young, probably his last brood. The live mealworms I put out are readily taken in these conditions. The abundance of young birds does not go unnoticed; the sparrowhawk often visits and this morning a hobby flew overhead after the swallows and house martins.

## Upper Deverills Village Hall Fete, Flower & Dog Show

**2.00 pm Saturday 20th August**

The classes can be seen on the opposite page with the entry form below, also on the Upper Deverills website. Please bring your entries on the day between 9.00 am and 11.00 am to the village hall, if you prefer to send your entries to the Photographic Classes (section 6) electronically then send them to **upperdeverillsvillagehall@gmail.com** by **6.00 pm Friday 19th August**, we will print them out to be displayed and judged. We will be holding an Inter-Village Tug-of-War Competition, you may want to gather potential tug-of-war team members in your village to discuss tactics beforehand! There will be a Produce Stall, run by Helen Bull, if you have any fruit or vegetables or home produce you would like to sell (including show entries), please bring them along. If you would like to help by running a stall or game, or in a more general way then please get in touch with Kevin McBride who would be very pleased to hear from you at **mcbride.routine@gmail.com**. The Tombola, Book Stall and Raffle rely on your generosity for their success so please drop donations off with Eve & Kevin McBride, Ted & Gillian Flint or Caroline Davies.
