Dear Friends,

I don't know what your thoughts are about the Bible, but I have to say it does contain some of the most profound words I have ever come across. In the book of Ecclesiastes, written over two thousand years ago, we read, 'To everything there is a season, and a time to every purpose under the heaven.' My time in this Benefice has now come to an end; it doesn't seem five minutes since I arrived, and we held a big service in St Margaret's Corsley for my licencing by Bishop Nick. It doesn't seem five minutes since I was ordained in Peterborough cathedral twenty years ago.

I have been so privileged in my ministry. I have had the opportunity to enjoy the most incredible experiences meeting the most amazing and inspirational people. I have been alongside people at the saddest and most painful periods of their lives and the most joyful; a deeply humbling part of what it means to be a parish priest.

I count myself so lucky to have lived amongst you all in this beautiful place and I am so grateful for your friendship and support over the last nine years. I must particularly thank our Licenced Lay Minister Robert Shuler and our lovely retired priests for their support and help with leading services and taking funerals and weddings. Now, even though it is very painful, I know it is the right time to go and the right time for me to retire. When I was ordained all those years ago, I had to learn what it meant to be a parish priest, now I must learn what it means to be a retired priest. I have to say, even though writing a sermon is an interesting task, I am very much looking forward to not having to write one every week! I am also looking forward to reading the pile of books I have stacked up ready and maybe playing the piano again. So to be succinct, I think what I am trying to say is very simple; thank you. Thank you for making my time here so enjoyable, I will miss this place and miss you all so much. We are not going to be far away in Buckland Dinham so please do come and say hello if you are passing, the coffee and cake will be waiting for you.

Please do come to my last service here on **Sunday 15th October at 10.00 am** at St Peter and St Paul's Longbridge Deverill.

With love and gratitude,

Rev Pauline Reid

The Poppy Appeal 2023

The appeal begins on 22nd October and our loyal band of volunteer door-to-door collectors will be calling on you around then. Crockerton and The Deverills have always been very generous towards this amazing charity and have done so much to support serving and ex-serving men and women and their families. We are short of collectors in Crockerton, Longbridge and Hill Deverill, so if no one comes to your door there will also be poppies available at the George, the garage, and the garden centre. If you have a morning or afternoon to spare and would like to help, please get in touch with me. Thank you very much for your support. Every poppy counts.

Wylfe River Past, Present & Future

Community Oral Histories Day - Thursday 26th October at St Mary's Church, Kingston Deverill. You are invited

to share your memories, stories and thoughts about the Wylfe River as part of a Community Oral Histories Day. The Oral Histories (recorded interviews) will be part of an MA Environmental Humanities project that highlights the river Wylfe as well as provides a resource for a local museum or Oral Histories archive. If you have youngsters in the family who would like to interview you, then this would be welcome! Interviews will take about an hour, refreshments will be provided. If you have lived and or worked alongside the Wylfe River and would like to share your stories and book an interview time or simply find out more then please contact Natasha on 07950703770 or email natasha.child22@bathspa.ac.uk www.facebook.com/AppliedIdeas. A collection will be available on the day for the 'Ride and Stride for Churches' appeal, Wiltshire Historic Churches Trust.

Wylve Valley Calendar 2024

It is that time of year again and I am pleased to say the 2024 edition of the Wylve Valley Calendar is now available. As always, all proceeds are donated to Hope and Homes for Children (registered charity no. 1089490). The price remains the same as last year at £11.00, copies are available at Coates & Parker and Community Hub, Warminster, from the Wylve Valley Vineyard at Crockerton, Budgens at Codford or from Heytesbury Stores, also online at www.chrislockphotography.co.uk or by phone by contacting Hope and Homes for Children on 01722 790111.

As ever, I have tried to capture this lovely part of Wiltshire at its best. For anyone wishing to send the calendar as a gift, it comes with a sturdy mailing envelope and can be sent at the 'large letter' rate.

Last year, combined sales of the Wylve and Nadder Valley Calendars raised £6,405. All of this money supports the overseas programmes of Hope and Homes for Children, in Eastern Europe, Southern and East Africa and South Asia. The charity remains committed to the belief that every child deserves the love and belonging of a safe family home, never the abuse and neglect suffered in orphanages. Since 1994 they have worked with the UN, EU and local and national governments worldwide to close the doors of orphanages forever. Closing an orphanage means finding a loving family for every single child in that orphanage, meeting each of their needs, every time.

Advent Carol Service

The traditional Christmas Carol Service at Kingston Deverill Church has been very popular over the years but now, for the first time, at the request of Rev Pauline Reid, a version of the Advent Carol Service (made nationally famous at Salisbury Cathedral) is being brought to

Longbridge Deverill Church on **Thursday 30th November at 7.00 pm** by the Farrant Singers, conductor Philip Lawson. There be fewer candles and no long procession, as can be seen over the following 3 evenings at the Cathedral, but it will be a festive occasion with beautiful music. More details nearer the time from Eve McBride (07824 345711) and Julian Wiltshire (07828 672244).

A big 'Thank You' to Richard Lucas and Mandy Harding Newman for raising over **£250** by cycling to nine local churches – Kingston, Brixton, Longbridge, Sutton Veny (2), Tytherington, Heytesbury, Norton Bavant and Bishopstrow - to raise money for the Wiltshire Historic churches Trust which helps to maintain our beautiful local churches.

Bishop Stephen of Salisbury - Leaves on the line

October is one of those months when the leaves begin to change and fall, and somewhat comical excuses come into conversations about why things don't work. Leaves on the line may well be a technical problem for the railways, but we all know it also means, somewhat ironically, why is it sometimes things just don't work as they should. There are often leaves on the line in the life of the church. Why is it sometimes things just don't work, especially when we rely upon the grace of God and seek his will? One reason is because we can spend too much time doing, and making mistakes, and not enough time praying. This is not the rather immature prayer of simply asking for this or that the way we want them, but the deeper prayer of spending time with God and being led by his still, small voice. So please do pray in October. We also suffer from our confusions and distractions because we place the leaves on the line with our judgements and preconceptions, our rulemaking and our creating in our own image. Our track must always lead to Jesus and our mission to make him known. The 4th October is the day the worldwide church remembers St Francis. In his day, the church wasn't working, and in prayer, his vision came to "Rebuild my Church". This was to be achieved by simplicity of life, by generosity to others and total commitment to prayer. His focus was Jesus Christ.

Recently, I was inspired by this vision again with a visit to Hilfield Friary in Dorset, and the licensing of a new Guardian. Hilfield welcomes all; do visit there (although you can't get there by train). When our frustrations slow us down, we would do well to follow the example of Francis: Lord God, You made your church rich through the poverty of blessed Francis. Help us like him not to trust in earthly things but to seek your heavenly gifts; through Jesus Christ our Lord. Amen.

The Friends of Salisbury Cathedral

Now is a great time to join the Friends of Salisbury Cathedral! The Friends' charity was founded in 1930 and since then has given thousands of pounds in grants to help preserve the cathedral and safeguard it for future generations. In the 2022/23 financial year, the Friends gave grants to replace the cathedral's external lighting with LED units, purchase a new chamber organ, two TV screens for the weekly family services and provide weekly flower arrangements. Annual subscriptions: single membership £25, joint membership £40. Friends receive a membership card, entitling them to visit the cathedral free of charge (excluding ticketed events, concerts or parking), newsletters and the annual report, *Spire*, with information about grants and activities; exclusive invitations to a programme of events, talks, day trips, theatre performances and the annual Friends' Day. Gift membership is also available. For details, call the Friends' office on 01722 555190.

Let's Get Digital!

Whether we like it or not, it is becoming more important to embrace the digital age. Access to information and services is increasingly moving online which is fine for many people. But others feel left behind, are dependent on others or feel simply isolated from opportunities. There are many reasons for digital exclusion: Access: both physical and financial; Motivation: including understanding or appreciation of the benefits; Skills: including whether they have any available means of learning IT skills; Confidence: including fears of fraud and online security. While it may not be possible to remedy national or regional issues like signal strength, there are many out there with a smartphone, iPad or computer who decide not to use it due to cost, skills or lack of confidence. The Warminster Area Health and Well-being Forum, in conjunction with Wiltshire Libraries, are offering a one-stop shop on **Monday 16th October** in two Wiltshire locations, see above, signposting you to available help and support for those struggling to acquire, afford or use this technology. Call in on the day to find out more. We can also offer advice to stay safe online and, if you are already using tech, we can take your unwanted/used devices for recycling by a local company to help others.

Do you have any time to help others with their tech? We can put you in touch with organisation where you can help others to bridge the “digital divide”.

Parish Steward

After a change in contractor with Wiltshire Council for their Parish Steward service, our allocated Steward Ian, is back in the valley on a regular basis. This is certainly a day once a month, but sometimes more pressing issues can be dealt with sooner. There are seasonal jobs that take priority, like verge trimming, gully clearing etc, but many items like cleaning signs, improving sign visibility and strimming can be done at any time of year. Ian communicates with the Parish Council before his visit, to ensure parishioners' requests are accommodated. Please feed into the Parish Council any local requests and we will endeavour to ensure they are dealt with.

The next Parish Council meeting will be on **Wednesday 25th October** in Upper Deverills Village Hall at 6.00 pm. See page 14 for details and website www.upperdeverills.co.uk

Alabaré Fundraising Event – Firewalk!

Alabaré provides support and accommodation for vulnerable people and homeless across Wiltshire and the South West. Feeling adventurous? There will be a second Sponsored **Firewalk** on the evening

of **Friday 20th October** at Alabaré's Old Sarum Development Centre, Old Sarum Garden Centre, Portway, Salisbury SP4 6BY. It's an incredibly empowering and motivational (if hot!) experience. You will walk across hot coals whilst raising funds to support Alabaré. There will be an introductory session during the evening and afterwards you will feel you can take on anything! The atmosphere is incredible! It was hot but the feeling of achievement was overwhelming. Nature Notes

The skies seem empty now and the house is much quieter. Most of the swallows appear to have gone, the last of 'our' house martins have left. When I last wrote I was not sure what the house martins were up to, but not long after I heard cheeping coming from the dual nest box and it was apparent both compartments were in use with second broods. I think both hirundines have had a good breeding season judging by the numbers flocking and gathering on the wires. It makes me feel sad when they go and it seems so early this year.

We don't have many birds in the garden at the moment which adds to the feeling of emptiness. I don't remember when I last saw a blackbird, I only assume they are out in the countryside feeding, there are certainly lots of berries there for them. We get sporadic visits of goldfinches and mixed tit flocks to the feeders which contain great, blue, long-tailed and the odd coal tit. I had my friendly robin come into the garage this morning looking for food, it had to be content with suet pellet pieces as I have stopped the mealworms but she was happy.

We have not seen the moorhens again. We still see the kingfisher, not every day but it was here yesterday; it tried several times to catch a fish before disappearing. Thankfully no visits from heron or little egret as they tend to be rather persistent emptying a pond of fish. I don't think there are so many egrets or herons about perhaps they have been effected by avian flu.

There are still dragonflies around the pond which attract the attention of the neighbour's cats. One evening when it was still very warm and we had the doors open a large dragonfly, a southern hawker, flew into the lounge and before we could catch it, it disappeared down the back of the display cabinets. There was no way we could get it out and we thought it would be spider food, but later that evening it emerged and after a chase we managed to trap it and put it outside. The dragonfly was the third encounter or incident with a winged creature. Firstly, we had a kingfisher fly into the lounge window, thankfully we heard it and Clive managed to rescue it from getting caught in the winter jasmine just below the window. It appeared to be fine and was wriggling hard in Clive's hand so we released it and it shot off. The second winged encounter was one evening when I was in the garage with the lights on and something flapped around in front of me. I realised it was a bat so we opened all the doors, turned the lights off allowing it to find its own way out.

This morning with the mist it was very autumnal; the season of mists and mellow fruitfulness. There is a lot of fruit around. The hawthorns are dripping with big berries and the blackberries are also good. The drive at the front is covered in beech masts making for crunchy walking and car driving.
