A letter from Bishop Karen

'As we rejoice in the gift of this new day, so may the light of your presence, O God, set our hearts on fire with love for you.'

These wonderful words are used at the start of Morning Prayer each day. It is a rich and powerful prayer asking God to not only go with us into a new day, but also that we may be changed by God's presence with us. Hence our love being a vehicle of God's love in the world.

This is a powerful prayer for our day and age, as the world so much needs the love and light of Christ in so many ways. We can pray it for ourselves and we can pray it for others. Our world leaders, our peace makers, those who put their own lives in danger for the sake of others. November is the month of remembrance, where we give thanks for those who have given their lives in the pursuit of peace, and we reflect on our own calling as peacemakers where we are, in our homes, in our communities, in the decisions we make and our reactions to others.

The prayer however is not just practical, it is also spiritual. What does it mean to have our hearts set on fire with love for God? That takes time and devotion, it takes prayer and worship. I am thrilled when I meet a new Christian whose heart is on fire with love for God. Those who come for confirmation are usually our best evangelists showing others what a change Jesus can make, and enthusing others with the joy of the gospel. For those who have been followers of Christ for many years, this prayer can be a challenge and therefore a good reminder day by day we need to regularly rekindle faith so we blaze with God's love and light. In a month when we think about remembrance, light bonfires and watch fireworks, do take some time to pray this prayer in your heart so we can be set on fire with God's love to make Jesus known.

We need a PCC Treasurer – can you help?

The Deverills PCC is a registered charity which has very simple accounts looking after collections, church maintenance, Gift Aid. It has been run very efficiently and the records are kept on Excel spreadsheets. The church year runs January to December; we need someone to look after the books in 2026. If you can help or need more information please call Robert Shuler 844291.

The Poppy Appeal 2025

The Royal British Legion Poppy Appeal 2025 will launch on **Saturday 25th October**. Following this our loyal band of volunteer door-to-door collectors will be calling on you. Crockerton and the Deverills have always been very generous to this wonderful charity, now in its 104th year, supporting serving and ex-members of our Armed Forces, and their families. We are short of collectors, so I would be very grateful to anyone who could donate some of their valuable time towards the Poppy Appeal, if you are that person, please get in touch (see below). If no one comes to your door over the next few weeks, please head to either The George, Longbridge Deverill Garage or Crockerton Garden Centre where poppies will be available. Thank you all for your support. Please give generously and support our veterans. **Piers Lawson** 841261 / 07771 794835 / piers1957@gmail.com

Upper Deverills Parish Council

Vacancy for Parish Councillor

A vacancy for a Parish Councillor in Brixton Deverill has arisen. If you would be interested in making an important contribution to the life of your community please contact the Clerk to the Parish Council clerk@upperdeverills.co.uk

Next Parish Council meeting: Wednesday 12th November 6.00 pm in the Upper Deverills Hall. Please see page 14 for details of Councillors, Clerk and website, where full minutes and agendas of all meetings are available.

Longbridge Deverill Parish Council

Clerk: Rebecca Hathaway-White, Pembroke Farm, The High Street, Tilshead, Wiltshire, SP3 4RX

parishclerk@longbridgedeverill-pc.gov.uk or Tel: 07802 679457

Councillor Vacancies

Do you want to make a positive difference in our village? Would you like to influence decisions that affect your community? You need to be willing to give up some of your time, how much depends on you and your commitment to help your community. The Parish Council meets bi-monthly usually on the first Monday of the month. Meetings normally last around 1-2 hours. We are especially in need of someone who has an interest in the roads and would be willing to take on the role of liaison with Highways. You must be 18 or over, an elector and have been a resident or worked within 3 miles of the Parish for the last year. If you would like to be considered, please contact the Parish Clerk.

ENTHUSIASM AND COMMITMENT ARE MORE IMPORTANT THAN EXPERIENCE

Parish Plan

The 2017 Parish Plan needs updating, Longbridge Parish Council is currently putting together a survey which will be available online for all residents to complete. Please watch this space. **Why a Parish Plan?** Members of the Parish, whether young or old, all have views on what should be preserved, restored, changed and improved. The reason behind a Parish Plan is to ensure we all have a chance to make our views known; our Parish Plan is lodged as guidance for decision-making by Longbridge Deverill Parish Council and by Wiltshire Council. Our Parish Plan is available to give strength to applications for funding for projects villagers consider important. When serious matters arise we have a policy in place and backing from Wiltshire Council to deal with them. A statement of our views is written up as a Parish Plan and updated from time to time.

The next Parish Council meeting is **Monday 3rd November** at 7.00 pm, all welcome at the Parish Hall. Full minutes and agendas are published on the Parish Council website www.longbridgedeverill-pc.gov.uk

Crockerton Village Coffee Morning

The coffee morning organised by the Village Committee on Wednesday 15th October was a great success. We had more than 20 people attending and a morning of friendship among both new and established villagers. The Bath Arms did us proud with three different cakes, nearly all of which were eaten, yummy coffee and a log fire making it cosy. The next village coffee morning will be on **Wednesday 12th November** at 11.00. We hope to see you then.

Future Event Crockerton Primary School Carol Singing will be at the Bath Arms, Crockerton on **Thursday 4th December** at 6.00pm.

Heartwarming story

A touching love story that began in Longbridge Deverill during the Second World War has been shared by the family of resident, Sidney Baggs, who died recently aged 96. Sidney met his future wife, Eileen, now 94, when she was evacuated from London at the start of WW2 to live with her grandmother in the village. The pair were pupils at Longbridge Deverill Primary School and soon became childhood sweethearts. Colin Baggs, their son, said, "In the village, probably on the wall in the picture, they carved a sign of their early love alongside their initials whilst they were at school together. Mum would have been eight or nine, and dad would have been ten or eleven. If you know where it is, you can still just about make it out."

After the war, Eileen returned to London, but she and Sidney kept in touch. The couple married on 25th March 1951 and settled in Longbridge Deverill, where they raised their family and remained ever since. They went on to have two children, four grandchildren, and five great-grandchildren. "I think, when he died, he was probably the longest living

resident of Longbridge, and probably the Deverill valley," said Colin.

Magnificent Result!

The Wiltshire Bobby Van Trust is thrilled to announce that its recent Pre-Loved Clothes Sale has raised an incredible **£11,500**, thanks to the generosity, enthusiasm and community spirit of all who took part.

Held by kind permission of John Robins at Manor Farm, Longbridge Deverill, the event proved to be a resounding success on every level. From raising vital funds for the Trust, to promoting sustainability by giving clothes a second life and preventing items from going to landfill, the sale showcased the best of Wiltshire's community

values. "This was more than just a fundraiser," said a spokesperson for the Trust. "It was a feel-good day of fun, fashion and friendship – with a real environmental impact too." The event was made possible by the dedication of dozens of volunteers, who baked cakes, sorted donations, acted as personal shoppers, and helped create a welcoming and vibrant atmosphere. Special thanks go to Charlie Boston's Band, The Olde Boston Tea Party, whose lively performance brought energy and swing to the event.

The positive impact didn't stop there. Remaining clothes were donated to the Wiltshire and Bath Air Ambulance for sale in their Devizes shop, ensuring every item has a second chance to do good.

The Wiltshire Bobby Van Trust extends heartfelt thanks to everyone who contributed time, energy, donations and support. Every pound raised will go towards the Trust's work providing home security and cyber support to vulnerable people across Wiltshire and Swindon.

Our next event is the Bowood Festival Food and Gift Fair, see poster. Please come and to enjoy and support this event.

Upper Deverills Wildlife & Conservation Group Visit Cannwood Farm

In early October, twenty members of the Upper Deverills Wildlife and Conservation Group visited Cannwood Farm near North Brewham, at the invitation of environmentalist and author Ben Goldsmith. Cannwood, a 430-acre former dairy farm, has been transformed over recent years into a thriving rewilding landscape.

Ben welcomed us with coffee and pastries before leading a walk through the varied habitats now emerging under his care. Fences have been removed, water-courses 're-wiggled,' and new ponds created to encourage wetland life. What were once arable fields and pasture are now a patchwork of meadow, scrub and woodland edge alive with birds and insects.

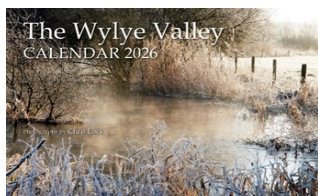

We saw the clear signs of beavers at work, gnawed stumps and neat dams holding back pools of water. Their engineering is helping to restore the headwaters of local rivers and reduce the risk of flooding downstream. Cannwood is part of a growing chain of rewilded estates across Somerset and Wiltshire, together forming a wildlife corridor of more than 12,000 acres.

A particular thrill was the chance to see a European Wildcat at close quarters, a striking animal and formidable hunter of grey squirrels. These cats are rarely seen in Britain and their presence is a reminder of what might one day be possible for native species recovery.

Our visit ended with a delicious lunch overlooking the valley: beef casserole from Ben's White Park cattle and a bean stew for the vegetarians. His warmth, knowledge and enthusiasm made the day both informative and memorable.

Anyone in the Upper Deverills with an interest in wildlife, conservation or simply enjoying nature is very welcome to join our mailing list. Please email me at tedflint@gmail.com to be added.

The 2026 edition of the Wylfe Valley Calendar by Chris Lock is now available. All the proceeds will be donated to the international charity **Hope and Homes for Children** based in Wilton. The cost remains the same at £11.50, and there is a sturdy mailing envelope which can be sent at the large letter rate. Copies available

from Coates & Parker, Wylfe Valley Vineyard, Budgens in Codford; Heytesbury Stores or www.chrislockphotography.co.uk, / www.hopeandhomes.org. Images include Cold Kitchen Hill, Scratchbury Hill, and Brixton church. Last year, combined sales Wylfe and Nadder Valley Calendars raised **£6,340** for the charity.

Nature Notes

The countryside has gone through another transformation and is full of autumnal colours. So far it has been a very quiet time with hardly any winds so the leaves have stayed put for us to enjoy their splendid hues for longer. I fear this is about to change very soon as more unsettled weather is on the horizon. With it being so still, I have been able to listen for bird calls more easily but I have yet to hear any redwings or fieldfares, our winter visiting thrushes. It's around the middle of October I usually hear my first redwing; a high-pitched seeping call that I often pick up first of all in the evening after dark. In my experience the fieldfares follow the redwings often a good two weeks or more later. I tend to first hear them, with their cha-cha-chack call, in the morning. Our summer visitors have flown south to warmer climes. The redwings and fieldfares come here from Scandinavia so are also migrating to warmer parts where food should be more readily available.

With the stillness and quiet it's been a real treat to hear the tawny owls calling. At this time of the year, they are very active establishing their territories and the young birds are becoming independent from their parents so space is at a premium. They have been particularly vocal about an hour or so after sunset but also around midnight.

We are down to just two young moorhens now. A month ago one of the youngsters was taken by something; having not long counted four young and one adult there was a commotion on the pond and afterwards only three young remained; don't know what took it. The remaining three and one adult stayed together until last week-end, but then I realised there were only two youngsters left. They are doing well on their own, very capable flyers and seem to have their wits about them. I have been putting out food for them on the raft for a while now, probably since the original family group of two adults and five young. I think of the two left one is male and the other female, one is definitely more territorial than the other i.e. the male, chasing woodpigeons coming to steal the food. Hopefully the other youngster and adult made it to the river.

A male green woodpecker has been feeding on the lawn recently. Its colours are beautiful, he comes quite close to the house giving superb views through the telescope, its red moustache plainly visible identifying it as a male. A pied wagtail has been lawn feeding too. Today two moorhens, three woodpigeons, the male green woodpecker and pied wagtail were all out there. The occasional visit from a heron and a little egret have not been encouraged!

The hedgehogs do not come so regularly now. They were coming every night and clearing all the food but now there is food leftover. I cleaned out the two hibernation houses and put in fresh straw, but it is too early for them to hibernate. I did find a dead hedgehog in the rear hibernation house and two died during the summer. Maybe they have found better food elsewhere or gone on holiday.
