

**Minutes of the meeting of the Upper Deverills Parish Council  
held at Upper Deverills Village Hall  
on Wednesday 8<sup>th</sup> July 2026 at 6.00pm**

**Present:**

Councillors: Jamie Fagan (Chair), Angie Beloe (Cllr), Lisa Gilby (Clerk and RFO)

No members of the public were present.

Cllr Newcombe was present but arrived later than the start of the meeting.

Unfortunately, with only two members of the parish council present, the meeting wasn't quorate, so was unable to go ahead

However, with Cllr Newcombe present, there was an informal discussion about matters affecting Wiltshire Council.

The Local Plan - this had been submitted in late 2024 and on the 27<sup>th</sup> Feb 2025 WC was told it was flawed and the recommendation was that its not accepted.

A new Local Plan will now have to be put together. This should go to consultation in April 2027 and hopefully be adopted in April 2029.

By 2032, WC is expected to provide up to 55,000 new homes. 17,000 have already been allocated, but they need to find the difference. They are talking about building up to 4 new towns.

**Date of next meeting**

There was discussion of moving the meeting to Wednesday 5<sup>th</sup> August 2026, but that would also not have been quorate, so the next meeting is as advertised on Wednesday 9<sup>th</sup> September at 6pm
