Letter from Rev Mark Windsor

Ecclesiastes 3 v 1 : *There is a time for everything, and a season for every activity under the heavens.*

I am thrilled that the time has now come for me to embark on my new ministry here in the Cley Hill Villages Benefice with and amongst you!

On Sunday 13th September I was blessed to have

a wonderful licensing service at Longbridge Deverill led by Bishop John Inge and the

Archdeacon of Wiltshire Louise Ellis. I would like to express my heartfelt thanks to all those who contributed to what was a wonderful service and the joyous afternoon tea that followed. I am also

grateful to all who attended in support and for the very warm welcome you have given me, including representatives from our communities. As part of the licensing service, I receive and take up symbols of this ministry in which I am called to share. There is a vessel of water representing baptism and encouraging others in following Christ; a paten and

chalice for the sacrament of Holy Communion and a Bible for the study and proclamation of God's word. It is awe-inspiring to receive each of them in turn.

At my farewell service in August in The Vale of Pewsey Team, it was a moving experience to do this in reverse – returning and laying down those same symbols to mark the ending of my ministry there. There is a time for laying down and a time for taking up. The Bible tells us that at the right time Christ died for us (Romans 5 v6). This is what inspires me above all else in my ministry. Jesus, the Son of God, laid down his life for me and you. This is not a vain hope that died with him. Jesus promised that he would lay down his life, in order to take it up again. The love of God for us in Christ Jesus truly is stronger than death. I hope and pray that you might come to know this more deeply personally. It is the heart of the good news that I look forward to sharing throughout my time here.

Rockbourne Fair supports Stars Appeal Salisbury Hospital

Rockbourne Early Christmas Fair returns to Salisbury Racecourse bringing three days of boutique shopping in support of the Stars Appeal, Salisbury Hospital's Charity on **Wednesday 14th to Friday 16th October**.

The Fair, which attracts thousands of visitors every year, with over 90 stalls of fashion, jewellery, homeware, cosmetics, gourmet food, and unique gifts there is plenty on offer for visitors searching for their perfect Christmas gift - many of which are

not available on the high street. This year, the Fair has over 30 new stalls.

The money raised will help the Stars Appeal towards the £2 million it aims to raise this year to fund projects across Salisbury Hospital. These include new equipment such as a mammogram machine for the Breast Unit, enhancements to buildings, and ongoing projects across the hospital, including support for people with cancer, a dedicated play assistant on the Children's Unit, and Stars Appeal Wi-Fi. Last year, Rockbourne Fair raised a record-breaking total of £68,191, surpassing the £62,081 raised in 2024.

Returning to the event is the popular Rockbourne Fair Lunch Menu, available in the on-site restaurant, offering seasonal dishes, coffee and cake deals, and even a glass of fizz for those in the festive spirit. Wood-fired sourdough pizzas will also be available to enjoy al fresco during the Fair.

The Fair opens at Salisbury Racecourse SP2 8PN @ £6 per person from 10.00 am each day with free parking; Wednesday 14th until 5.00 pm, Thursday 15th until 7.30 pm, Friday 16th until 3.00 pm. For more information visit www.rockbournefair.org.uk

Chat Cafés Open Door News

Visits: Friday 2nd October Cancer support Team Leader SDH

Friday 16th October David from Macmillan Support RUH

Our cafes are free, no booking required just come along, family and friends (and dogs) welcome. **Regular Chat Cafés:** The 2nd and 4th Monday of the month 7.00 - 8.30 pm for those affected by prostate cancer. Every Thursday 10.00 - 12.00 for those feeling lonely or isolated. 1st & 3rd Friday of each month 10.00 - 12.00 support group for anyone affected by cancer. The 2nd & 4th Friday of each month 10.00 - 12.00 support group for the bereaved. Families, friends welcome. All groups are held in accessible Athenaeum Centre High Street, Warminster, BA12 9AE. See www.opendoorwarminster.org.

The Poppy Appeal 2026

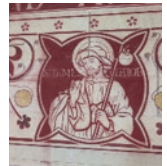

The Royal British Legion Poppy Appeal 2026 will launch on **Thursday 22nd October**. Following this date our loyal band of volunteer door-to-door collectors will be calling on you. Crockerton and the Deverills have always been very generous to this wonderful charity, now in its 105th year, supporting serving and ex-members of our Armed Forces and their families. We are short of collectors, so I would be very grateful to anyone who could donate some of their valuable time towards the Poppy Appeal. If you are that person, please get in touch (see below). If no one comes to your door over the next few weeks, please head to either The George, Longbridge Deverill Garage or Crockerton Garden Centre where poppies will be available. Thank you all for your support; please give generously to support our veterans.

Walking Group News

On a beautiful August day members of the Wessex Regional Group, Confraternity of St James (CSJ), with friends and Moose (the dog) met at Sutton Veny Church for one of the group's periodic walks. Most of the group have completed at least 100 km, on foot or bike, of the Camino de Santiago de Compostela, so

an ideal opportunity to gain insight if this is within contemplation or to share memories. The group welcomes those of all faiths and none.

The walkers were met by Rev. Mike Duff who presented a short history of the Church and a prayer before the walk. CSJ members, always quick to spot images of St James, were delighted to find 'our' saint in the frieze to the left of the altar. The five mile circular walk took us over the lovely rolling countryside of Haycombe Hill Farm, although very parched nevertheless looked beautiful, serene. We finished at the little church of St Leonard with its wooden bier, looking in remarkably good shape, then by car to The George, Longbridge Deverill for lunch and more talk and shared stories about our Caminos.

If you would like to know more about the Wessex Group, the Camino or the Confraternity please contact Charlotte Ohri ohri.charlotte@gmail.com or Penny Buckley p.j.buckley@talktalk.net or see the Confraternity link www.csj.org.uk. There will be another walk in the region later in the year.

Wednesday 21st October - Codford Village Hall 7.00 for 7.30 pm
Talk entitled "Plants for the Flower Arranger" by Felicity Down, she is a florist and enjoys using colours and textures of flowers.

Mere Literary Festival 12th to 18th October

The Festival is a community-led celebration of books, ideas and conversation. Each year, volunteers from Mere, the Blackmore Vale and the Vale of Wardour come together to create a welcoming, thoughtful event rooted in a shared love of stories. The festival brings people together, sparks curiosity and offers something for readers of all ages, through a programme shaped by local people to be engaging, accessible and enjoyable for all. In 2026, the National Year of Reading, funds raised from the Festival will be used to support three key local charities – the Mere and District Link Scheme, Seeds for Success and Read Easy Blackmore Vale. Please visit mereliteraryfestival.com for more information and tickets.

Pat Armstrong 1927-2026

It is with great sadness we announce the death of Pat Armstrong. Pat lived in Brixton Deverill for over 40 years and 8 years in Monkton Deverill before moving to a care home in Bristol in 2024. She was actively involved in many aspects of life in the Valley, major contributions included organizing the design and making of the kneelers for Brixton Church, producing the Brixton Deverill Millennium book, taking part in Open Gardens and running a popular art group at the Upper Deverill Village Hall for more than 20 years, which participated in the Wylve Valley Art Trail each year from its start in 2001. Her skilful drawings enhanced the cover of the Parish News for many years. Immensely talented, energetic, courageous and caring, she was one of a kind and will be greatly missed by many.

DEVERILLS, CROCKERTON, HORNINGSHAM 50/50 CLUB

September: £50 Sarah Humberstone £25 Belinda Stewart Cox

On behalf of the PCC thanks to all who have joined the 50/50 Club to help with the maintenance funding of our beautiful churches. You can join the club at any time, pay either by standing order or bank transfer, the annual subscription of £24 is payable in July. Please contact Angela Hodgkinson or the PCC Treasurer on the email addresses below. Please email Angela if your email address has changed so you can be contacted.

Longbridge Parish Council

We Need You

The Parish Council has three vacancies available for co-option. Please get in touch to get involved and help make a positive difference to our village. You must be 18 or over, an elector and resident or worked within 3 miles of the Parish for the last year. **Enthusiasm and commitment are more important than experience.** If you are interested, please contact the Parish Clerk.

Notify.GOVUK

The Parish Council have signed up to the secure messaging system Notify.GOV.UK to try and improve our communication. If you would like to sign up for updates from the Parish Council by email please email the Clerk.

The next council meeting at the Parish Hall is **Monday 2nd November** at 7.00 pm all welcome. For contact details of Councillors, the Clerk, minutes, agendas and website, please see page 14.

Defibrillator Awareness Training

A cardiac arrest can affect anyone at any time – from young children at school, to adults when they're at home, work or out in public places. Cardiac arrests are often fatal with The British Heart Foundation's figures revealing that only one in ten victims survive. However, the chance of surviving a cardiac arrest jumps from 6% to 74% if the casualty is in a shockable rhythm and a defibrillator is deployed within 3 minutes. Although anyone can use a Defibrillator without training, as the instructions are verbally given when the box is opened, it can be a pretty scary experience, and receiving some basic training can give one confidence to go ahead.

FREE - Training Tuesday 13th October 6.30 The George, Longbridge Deverill

Sadly, last time only 3 people turned up on the night, please ensure that you drop me a line to ensure we have a reasonable number of people to attend. If you are a resident in the Deverill Valley or Crockerton and would be interested to attend, please email **Caroline Sawyer** caroline.sawyer585@btinternet.com

Hill & Longbridge Deverill Open Gardens 2027 Update

After an excellent response to last month's straw poll we are happy to announce that Hill and LD Open Gardens 2027 will definitely be happening. The event will run from 12.00-17.00 on 20 June 2027. We will contact those who have already shown an interest to confirm their participation. We are still open to having more gardens - big or small. The deadline is 31 December 2026, after which we'll start publicising the event. If you have questions before you decide, you can contact us - Michelle Lee on fieldbarncottage@outlook.com / call on 841271 or Vicky Hamilton on victoriahamilton52@gmail.com

Upper Deverills Parish Council

Parish Councillor vacancies - There are two vacancies for Councillors on the Parish Council. If you would be interested in making an important contribution to life in your community, please contact the Parish Council Clerk clerk@upperdeverills.co.uk or any current Parish Councillors.

Community Speedwatch - The community speedwatch group was established in 2021 and works with Wiltshire Police with the aim to help reduce speeding on the B3095. The group is wholly run by volunteers and is seeking more recruits. Volunteers would be asked to give up approximately an hour every fortnight or so. If you would be interested in volunteering, then please contact the Parish Clerk on clerk@upperdeverills.co.uk or any of the current Parish Councillors.

SID needs some friends - The electronic Speed Indicator Device (SID) is a valuable asset in helping to address the menace of speeding vehicles on the B3095 and other roads in the valley. Our SID has been very well managed by Andy Hardwick for a long period, and the Parish Council is very grateful for his help. It displays the speed of a vehicle as it passes the device and is designed to encourage drivers to observe the speed limit. The task of managing this device is being taken on by Alan and Tass Richardson again for an interim period. We are looking for a volunteer to take on the role of managing this device. It would involve charging the SID, relocating it and setting it up in various set positions in the valley. It is not an onerous task but is an important one. If you would like to help then please contact the Parish Clerk on clerk@upperdeverills.co.uk or any current Parish Councillors.

HGV weight limit update - A meeting involving Andrew Murrison MP, representatives from National Highways and Wiltshire Council took place on 12th June. Various Parish Councils were involved including Maiden Bradley and Upper Deverills. The meeting was organised by Maiden Bradley Weightwatchers and focused on the ongoing campaign regarding HGV traffic on minor roads; details on the website www.upperdeverills.co.uk under Community Information.

The next parish council meeting is **Wednesday 11th November** at 6.00 pm at the Upper Deverills Village Hall, everyone is welcome, please see page 14 for details of Councillors, Clerk and website, and full minutes and agendas of all meeting.

Dog Fouling - Monkton Deverill

This Summer, it has been noticeable that dog fouling has increased in Monkton Deverill. Areas showing this unwelcome trend include the woodland bridleway at the bottom of Keysley Lane, Hindon Lane. There is a recurring problem with the metalled byway leading up to the lynchets footpaths and past the pumping station. This may not be caused by residents and their dogs. Could those who live here, however, make a point of using poo bags as required? At the very least, please remove any waste deposited from areas where pedestrians walk. Thank you to the majority of local dog-owners who strictly observe the law.

Crispian Beattie - Neighbourhood Watch

Moments of Light is an extraordinary 3 month art installation created by internationally acclaimed light artist and Dorothy House Ambassador **Bruce Munro**. It will transform acres of the Hospice's Winsley grounds from **1st October - 31st**

December, marking the organisation's **50th anniversary** with a breathtaking immersive experience offering reflection, connection, and remembrance. Building on Bruce's his much-loved permanent Firefly Woods installation at Dorothy House, Moments of Light invites visitors to wander among thousands of illuminated forms, creating a constellation of light seeming to breathe with the landscape. These installations use creativity and nature to support people through grief, offering comfort and connection, the installations speak quietly of life continuing, even in moments of loss. Tickets are free but visitors are encouraged to make a suggested donation, all proceeds help the Hospice continue to provide free, specialist end of life care for people and their loved ones. Visitors can also dedicate a light on a Firefly, to remember a loved one. Tickets: enthusie.com/ps/event/MomentsofLight

2027 Wylve Valley Calendar

The 2027 Wylve Valley Calendar is now available! This is the 16th edition, as in all previous years the proceeds will be donated to the international children's charity

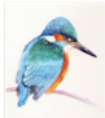

Hope and Homes for Children based in Wilton. Calendars cost £12 and are available from Coates & Parker in Warminster, Wylve Valley Vineyard at Crockerton, Budgens at Codford and Heytesbury Stores; or order online at www.chrislockphotography.co.uk or www.hopeandhomes.org. During the long hot summer spent designing the calendars I looked fondly at images of frozen flood water at Tytherington, a winter morning at Norton Bavant and frosty fields at Sutton Veny, included in the calendar, there are some lovely summer images too! Combined sales of the 2026 Wylve and Nadder Valley Calendars raised £6,268, which went to support overseas programmes in Eastern Europe, Southern and East Africa and South Asia. The charity remains committed to the belief every child deserves love and to belong to a safe family home. By working with families, communities, local authorities and governments, the charity has helped move thousands of children out of orphanages into families. For 2027, my little family of calendars has an addition, the Chalke Valley Calendar, I am hoping to exceed last year's total.

Chris Lock

Nature Notes

The countryside has undergone a complete transformation since we had some rain. Thankfully it started gently and enabled the moisture to be taken into the soil instead of running off. It's amazing how it has greened up so quickly and it is good to see the lawn back to its correct colour, though the green is due to yarrow rather than grass in some places. The hedgerows are looking happier too, but I don't think there are so many berries and fruits as other years, not surprisingly with the summer we have had. It could be an issue when the winter thrushes arrive.

The pond has been quiet; no moorhens there since 21st August. There has been the occasional visit from a kingfisher; today I've seen it diving lots of times for prey. I think it must be after insects, there may have been a hatching out of crane flies and there may be the odd small black fish too. It's a male, as the bill is completely black, in females the lower bill has some orange on it (females wears lipstick). Yesterday, and two days before, we had a little egret come to fish; it too was finding something of interest. There was a grey wagtail on the pond today, quite often there has been a pair; you can spot them by their continual tail movement.

It is very crunchy underfoot at the front of the house as the beech masts are falling. They make quite a noise on the tin roof of the shed. The tree is laden with them and has attracted a nuthatch, or maybe more than one. I can hear it high up in the tree. They are so agile being able to climb up and down a branch, unlike the treecreeper, which I've also heard, they can only move upwards.

The garden is a lot quieter now as is the countryside. The birds have done their job of breeding for the year. Now they go through a period of moult and keep a low profile. I've noticed small flocks of birds come through the garden and find the feeders. They appear to be a mixture of tits (long-tailed, great and blue with the odd coal) along with house sparrows. Flocking together gives them more protection and greater chance of spotting food. Our house martins have left. Before they went we noticed them coming up to the eaves, especially at the back of the house, pointing as if to remember where they had to come back to. There must have been at least thirty probably more and I think they might have been youngsters. I have only seen about ten swallows lining up on the wire. I fear the swallows and the swifts have not done so well this year.

I have found amphibians in the garden away from the pond. One damp evening I came across three good sized frogs in a relatively small area and I have also come across small frogs and toads about an inch in size; they look so cute. The deer are still coming into the garden, not quite so regularly. I know we had one last night as there were fresh droppings out there this morning.
